### **DETAILED ACTION**

Claims 3, 7, 10 and 13 are allowed.

#### ***Allowable Subject Matter***

The following is a statement of reasons for the indication of allowable subject matter:

Regarding independent claim 3, the prior arts fail to teach "adjusting power level of said mobile unit comprises setting said mobile unit to a power level a selected amount greater than a power level corresponding to said access point transmitter power level data", as cited in the claims.

Regarding independent claim 7, the prior arts fail to teach "said processor is further programmed to provide maximum power level signals to said transmitter when said processor fails to derive said power level data form said received signals", as cited in the claims.

Regarding independent claim 10, the prior arts fail to teach "said power level data signals represent a power level greater than the power level represented by said power level data", as cited in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Art Unit: 2618
